

VERMONT ENVIRONMENTAL BOARD  
10 V.S.A. Chapter 151

RE: Town of Putney  
Sludge Treatment Facility

Declaratory Ruling  
Request #282

CORRECTED DISMISSAL ORDER

On December 22, 1992, a petition for a declaratory ruling was filed with the Environmental Board by Nathaniel Hendricks as an appeal from Advisory Opinion #EO-92-264 issued on November 23, 1992. The Petitioner appealed the conclusion of #EO-92-264 that construction of a phragmite reed bed, and other improvements to **the Putney** waste water treatment facility, do not require an Act250 permit pursuant to 10 V.S.A. Chapter 151. **The** reed bed is located on Main Street in the Town of Putney, Vermont.

On March 22, 1993, the Petitioner withdrew his petition for a declaratory ruling.

The Board deliberated on April 21, 1993 in Montpelier and decided that dismissal of this matter is not contrary to the values embodied in Act 250. This matter is dismissed.

Dated at Montpelier, Vermont this 8th day of June, 1993.
